Thu, 15 Nov 2018 12:23:00 GMT Sex, Dating, and Relationships: A Fresh Approach - "Let one another know what your needs are & be able to communicate them assertively. You aren't psychic & neither is he/she." Realize that your partner will not be able to meet all of your needs - some needs will be met outside of the relationship. Do not demand that a partner change to meet all your expectations. Characteristics of HEALTHY Romantic Relationships - what can reduce your prejudice or how to control your stress or anger, see those previous chapters. This chapter focuses more on common, normal development and relationships. To some extent it is a catch-all but all-important chapter covering various topics about understanding ourselves and our relationships.
