Manual - Excellent window
into thinking of
body-as-culture, or using
bodies and bodily practices
as material for studying
historic eras. Serlin adroitly
connects five case studies in
postwar body-reconfiguring
technologies with emerging
national identities and
politics. Replaceable You:

Replaceable You also
struck me as having a
special relevance given
today's obsession with the
body in the popular culture,
especially evident in
television shows like the
"The Swan," where plastic
surgery is performed on
women so as to make them
into pageant girls.
