so much more to this book than fishing! No, you don't have to be a fishing enthusiast to appreciate SCARBACK. A great, feel-good story with memorable characters. The dialogue is believable, and the author's detailed and affectionate description of small-town living in 1950s upstate New York will make you feel as if you were there. But it was the heart of the story that hooked and reeled me in, page after page. There's humor (at times I had to set the book down to laugh at the one-liners), loyalty, the raw feelings of relationships that hurt, tenderness, drama ...
