

sporked in time

sporked in time pdf - A spork (a portmanteau of spoon and fork), is a hybrid form of cutlery taking the form of a spoon-like shallow scoop with two to four tines. Spork-like utensils, such as the terrapin fork or ice cream fork, have been manufactured since the late 19th century; patents for spork-like designs date back to at least 1874, and the word "spork" was registered as a trademark in the US and the UK ...
