and Building Fences on the Farm - If you're looking to increase home security and keep unwanted critters from your home, a fence can help get the job done. A few of the most popular fences include privacy, picket, split rail and basket-weave. How to Build a Fence at The Home Depot - When you're choosing a child safe garden fence, consider that a permanent fence will likely work and look better than a temporary one. My grandmother was an avid gardener, cultivating a patch of ground in her backyard for years until the rectangle of soil inside a stake-and-mesh fence was dark with nutrients.
