We can offer approval, loving delight of our grandchildren, and reliable support for our own offspring. We are the link between the past and the present and even the future! The Art of Grandparenting - ezinearticles.com - Unfortunately, in many segments of Western societies, the art of grandparenting has been lost. In today's highly mobile society so many young families move away to pursue careers far away

from home. At this time grandparents can fulfill a very needed role of stability and provide a connection to hereditary roots. The Art of Grandparenting - Plain Truth Magazine -
